Course Evaluation Questions	Strongly Disagree	Disagree	Agree	Strongly Agree
The course objectives and learning outcomes are aligned with the program learning outcomes.				
The course objectives are consistent with the program competencies and qualifications.				
The total time (workload) I devoted to this course throughout the semester was consistent with the course's overall workload (including lectures, assignments, readings, projects, exams, etc.) and its ECTS credit value.				
The weekly course hours were sufficient for learning the course content.				
The course contributed to the development of my critical thinking, inquiry, discussion, and evaluation skills.				
The course is necessary and beneficial for my professional and academic development.				
Instructor Evaluation Questions	Strongly Disagree	Disagree	Agree	Strongly Agree
At the beginning of the term, the instructor adequately introduced the course objectives, learning outcomes, and other relevant information (including teaching, learning, assessment and evaluation methods, and the workload required for successful completion of the course).				
I benefited significantly from the instructor in terms of my academic development.				
The instructor provided useful feedback on assignments and examinations.				
The instructor started the class on time.				
I was able to communicate with the instructor during class.				
I did not experience difficulty communicating with the instructor.				
The instructor treated students equally, fairly, and impartially.				
I was able to reach the instructor during office hours.				
The instructor conducted the course in accordance with its objectives, content, and weekly schedule.				
The materials/resources used by the instructor for the course are adequate.
